

## ¿Qué hora es?

On the hour:

To say what time it is, use **Es la** \_\_\_\_\_ (if the hour is 1:00)

**Son las** \_\_\_\_\_ (if the hour is more than one).

To add minutes:

To say the hour plus minutes (ex. 1:10), use **Es la** \_\_\_\_\_ **y** \_\_\_\_\_ or

**Son las** \_\_\_\_\_ **y** \_\_\_\_\_

Modelo: 1:10 = Es la una y diez.

15 minutes = use **y cuarto**

30 minutes = use **y media**

When the minutes are more than 30:

You must go to the next hour and subtract out the minutes: (remember- if you can't figure it out: subtract the number from 60). Be sure to put **menos** first.

The pattern is: Es la \_\_\_\_\_ menos \_\_\_\_\_ // Son las \_\_\_\_\_ menos \_\_\_\_\_

For example: 7:50      Son las **ocho menos** diez

Useful time vocabulary:

**en punto**= sharp/ on the dot

**a tiempo**= on time

**temprano**= early

**tarde**= late

**la hora**= time

**minuto**= minute

**por la mañana**= in the morning

**por la tarde**= in the afternoon

**por la noche**= in the evening
