

## Near Future

Near Future is used to express something you are **going to do**.

It is formed by conjugating **ir** + **a** + **infinitive** of the verb.

"Ir" in the present tense:

Yo voy	Nosotros vamos
Tú vas	Vosotros vais
Él va	Ellos van

 + **a** + **infinitivo**

ie. Esta noche, yo voy a estudiar. = Tonight, you are going to study.
