

Clubs 2018-2019

123Art	This club is a great place for anyone who has the desire to make art and have fun. Students will follow step by step tutorials and learn to draw together.	Gantt
Amazing Puzzle Club	Did you know that putting the pieces together in a jigsaw puzzle is training and exercising your brain? Join the puzzle club to strengthen your memory, to improve your problem-solving skills, to improve hand-eye coordination, or just to have fun with friends The Puzzle club will solve Jigsaws and many other types of brain energizing puzzles. Energize your brain in a fun way!	Jackson/Newman
Art Club	In this club, you will design and create artworks that we will display around our school. You will make both individual and collaborative artworks using the 4 C's: creativity, communication, collaboration, and critical thinking. You will get to take some artworks home, while others will become permanent art displays at CrossRoads.	Butcher
Au-some Club	If you love helping students with disabilities, planning fun activities for them and want to learn more about students with disabilities then this club is for you!	Crosby/Rengering
Basketball Club	In the basketball club you will go through drills to improve your skills. We will also play basketball games! Come ready to have fun! We will provide all of the equipment!	Connell/Newton
Board Games	Students will play traditional board games such as checkers, chess, and Yahtzee. They will have the chance to share and research strategies of the games. Students will also have the opportunity to create their own board games.	Batson/Chavis

<p>Book Folding Art</p>	<p>Please join us as we fold old book pages into amazing designs and use discarded books to make different unique structures.</p> 	<p>Bates/Taylor</p>
<p>Books and Movies</p>	<p>Ever read the book and then watch the movie or vice versa? Let's share both. This club will discuss the difference between the books we have read and the movies that are made from these movies. Bring your favorite book and your favorite passages that didn't quite make it onto the big screen as you thought they might. Let's create our own version of your favorite passage(s).</p>	<p>I Johnson</p>
<p>Breakout CrossRoads</p>	<p>Do you like puzzles? Are you good at figuring out secrets? Do your friends come to you to help them solve problems? You might be what we are looking for in CrossRoads Breakout Club, a team building club that tackles unsolved mysteries and secret puzzles while racing against the clock. Students will complete Breakout EDU puzzles and Escape room activities. Students will also design their own Breakout or escape room.</p>	<p>White</p>
<p>Chess</p>	<p>Students will have an opportunity to have fun playing chess while honing their skills at the same time.</p>	<p>Furr</p>
<p>Choose Kind Club</p>	<p><i>"When given the choice between being right, or being kind, choose kind"</i>. From the book and movie, <u>Wonder</u>, this club is all about spreading kindness to others. We will do projects around the school to encourage people and help them choose kindness.</p>	<p>Adams/Jarman</p>
<p>Classic Cartoons and Comics Club</p>	<p>If you like watching classical fun cartoons then this may be the club for you. There will be viewings of classic cartoons and readings of classic comic books available. Come watch and read about the original</p>	<p>Wages</p>

	Superfriends, Casper the Friendly Ghost, Bugs Bunny, Flintstones, The Jetsons, Archie and the Gang...	
Coding	Students will use computer code to create fun and interactive projects. Themes may include art, sports, music, story-telling, and much more.	Henke
Cougar Improv Players	Students will learn to pretend and think on their feet. They will play fun, improvisational games to express themselves and enjoy activities that promote trust, cooperation, and team building to entertain themselves and others through creative comedy arts.	Westfall/Bullard
CRIS Card Sharks Club	Do you like to play games with cards? Uno, Spades, Hearts, Spoons, 5 Crowns, Phase 10--we play them all! Come join us and bring your favorite card game, or learn to play one of ours!	Murray
CRIS Rocks	This group will participate in the #kindness rocks challenge. We will paint rocks with a variety of quotes and pictures and place them throughout the community to help inspire others. So if you like to draw, paint, or want to help inspire others, please join #CRISRocks	Degar
Diary of a Wimpy Kid Club	Do you like reading the Diary of a Wimpy Kid books? Do you like talking about them with friends? Do you like watching the movies? If you answered yes to these questions, then this is the club for you. In the Diary of a Wimpy Kid Club, students will read and share their books, do wimpy kid drawing activities and watch D.W.K. movies. So grab your book and join the club!	Calhoun/Sweatt
"DIY" Club	Students who love "pinteresting" and creating fabulous and interesting crafts will love this club! At each meeting we will work on a new craft or idea that students will be able to take home and display. Why buy things when you can Do It Yourself?!	Glenn/Holland/Geliske
Fellowship of Christian Athletes (FCA)	The purpose of FCA, Fellowship of Christian Athletes, is to present to coaches and	Johns/Berube

	<p>athletes, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the church.led by student-athletes, sponsored by coaches, supported by staff, established on junior high, high school or college campuses and meets on a regular basis.</p>	
Flag Football	<p>Come join Mr. Brazell and Mr. Nelson as we compete in a game of flag football. Each club meeting will consist of teams playing each other with Mr. Brazell and Mr. Nelson serving as the all time quarterbacks.</p>	Brazell/T Nelson
Friendship Club	<p>Friendship bracelets first became popular in the United States during the 1970's, now they are popular throughout the world. Friendship bracelets are made by making a series of decorative knots with yarn, floss, or other materials. This technique can be traced back to China from 480-221 BC. Come spend some time with new friends as you create friendship bracelets to share with others.</p>	Farrell
Games & Puzzles	<p>Students will play board games, card games, and complete puzzles. It will be a time to enjoy "unplugged" fun with friends.</p>	Ginsburg/D Johnson
Games of Logic	<p>Through this club you will be encouraged to use reasoning in logic to think outside of the box in order to develop solutions to a variety of games of logic. Using this type of logic you will solve situational riddles, puzzles, brain teasers, clue and deductive reasoning puzzles, and group reasoning games.</p>	Bagnal/Major
Happy Feet Walking Club	<p>Are you interested in relaxing on Friday afternoon club days by walking and listening to your favorite music? Come join us with your own device, earbuds, comfortable shoes, and walk outside around the school track to get a breath of fresh air.</p>	Rimbo/Paull
Illustrating Magical Creatures from	<p>Do you love to read books from the fantasy genre? Do you love to draw? Are you</p>	Reynolds/Carter

<p>Classical Fantasy Literature</p>	<p>particularly "drawn" to the magical and mythical creatures from novels like The Lord of the Rings, The Hobbit, The Chronicles of Narnia, or the Harry Potter series? If you answered yes to any or all of those questions, come join us and learn how to draw some of these marvelous beasts using graphite and ink. Learn to bring such timeless characters as Smaug the dragon, Aslan the lion, and a menagerie of chimeras, gryphons, and centaurs to life with pen and paper.</p>	
<p>Jigsaw Puzzle Club</p>	<p>Do you ever want to just sit and relax while working on a nice relaxing jigsaw puzzle? Students in this club will work on jigsaw puzzles of varying levels of difficulty. If you have your mind set on putting the pieces together, this is the club for you!</p>	<p>Sellers</p>
<p>Karaoke Club</p>	<p>Ultimate Karaoke: Rule 1: Everyone must sing! Rule 2: Everyone must sing! Rule 3: Did I mention, everyone must sing? Come have fun with one another singing songs <u>you select</u> in front of each other.</p>	<p>Riener</p>
<p>Keva Planks</p>	<p>Are you an artist? Do you prefer science? Do you like to create things with your hands? If so, then perhaps KEVA planks are for you. Join us as we explore ways to engineer ideas and structures with simple wooden planks.</p>	<p>Michael</p>
<p>Love of Lettering</p>	<p>Students will explore inspirational quotes, calligraphy, the art of cursive writing, quoting, stenciling and doodling to make signature artwork.</p>	<p>A Smith</p>
<p>MARVEL-ous Club</p>	<p>Do you love Marvel Super Heroes? If so, join the MARVEL-ous Club. We will discuss the latest and greatest Marvel Movies, Heroes, and Villians. What has been your favorite so far and what do you think is coming in the next Marvel movie. Plus, we will talk about where these movies came from....the Comic books from the Amazing Stan Lee.</p>	<p>May</p>

Music From the Movies	The students will listen to music from various movies that they have seen and/or heard about; they will also read and be read to about the stories the movies tell.	Bussells
Needle-Arts Club	Students will have an opportunity to explore how cultures capture history through needle arts such as crochet, knitting, cross-stitch, needlepoint, quilting, sewing, beading, basket-weaving, etc. Many needlework items are engineering masterpieces (especially in the planning process.) This club will give students an opportunity to explore how the engineering process works in designing and following through with a project as well as hands-on experience with simple crafts.	Fuller
Origami	Animals, Vehicles, Star Wars, Flowers, Mythical Creatures, whatever else you can think of ... Come have some fun folding paper into super awesome shapes.	Oliver
Poetry Club	Students will read and write a variety of poetry. They will also be given the opportunity to share their work in the form of a poetry slam. Students will receive and personalize a writer's notebook to use throughout the year.	McCormick
Potentially It's Dominoes	The Domino Club allows students to creatively demonstrate their understanding of energy transfers and types of energy. Students will collaborate with their peers for the most elaborate domino maze while understanding the importance of potential and kinetic energy. Students will learn the type of energy transfers from mechanical potential energy to mechanical kinetic energy while enjoying everyone's pastime.....knocking down Domino's.	Black
Spanish Club	Spanish Club members will take a Virtual Trip to one of the 21 Spanish-speaking countries of the world and upon return to the United States, we will create an easy and delicious recipe, play games in Spanish, do crafts/art work, learn a Hispanic dance and	Partrich

	<p>songs. So, sign up, grab your passport and fasten your seat belts.</p> <p>See you soon! ¡Nos vemos pronto!</p> <p>**Students with severe food allergies are strongly advised to choose another club.</p>	
Sports Club	<p>This club will offer students an opportunity to participate in activities and games that lead to life-long healthy lifestyles. This will include sports and games that are not being taught in PE this current year.</p>	Vaughn/Cooke
Video Game Coding	<p>Want to create your own video game? With this club you will design and program your own video game using code and computer science. You will learn important gaming concepts while building racing games, mazes, and other fun games! The CS First Game Design club is social and fun! Code. Play. Game. Fun.</p>	E Smith
Yearbook	<p>Are you creative? Do you like to design? Be part of the team that creates the school yearbook. Activities include selecting pictures and fonts/colors, and writing captions for the school yearbook.</p>	O'Kelly
Yoga	<p>We will practice yoga poses for stretching, strengthening, and relaxing. You don't have to be flexible or have any experience with yoga to join. You will feel so much better when you leave!</p>	G Nelson/Blanchard
Zen Art	<p>Students will be given time to sit back and relax while creating Zen Art in a stress-free environment. No art skills are required except for a love of color, creativity, and relaxing.</p>	Cline/Debenport
