## SAT TEST TIPS

---

*Don't let the SAT stress you out! Familiarize yourself with these SAT test tips to feel more confident.*

- Familiarize yourself with the test
- Don't cram or study the night before
- Get plenty of rest and eat breakfast
- Answer the easy questions first
- Answer every question, even if it's a guess
- Write in your test booklet
- Transfer answers at the end of the section
- Use the process of elimination on answers for harder questions
- Budget your time in each section

**...and most importantly - stay calm!**
