

Welcome to the 2021-2022 school year! I am Mrs. DuPre, and I will be your ELA, Math, Science and Social Studies teacher depending on your schedule. I am looking forward to getting to know each of you this year. Due to everything that has happened over the past several months, this school year will be unlike any other. Together, we will work through any issues that arise and make this year one to remember.

Communication:

Parents: I will be communicating with you via email or Google Voice 803-563-8132. You can call or text me at that number.

Organizational tip: Some parents establish a separate “school email” that perhaps has your child’s name in it so you easily identify new messages regarding class information. If you do this, please share that email with me.

Students: You will communicate with me through Google Classroom, via comments on assignments or private comments.

Teachers: You can reach me through my school email address: cdupre@lexrich5.org or via phone: Google Voice 803-563-8132. You may text me using the same Google Voice number.
