

### **20th Annual Summer Leadership Institute For High School Students**

The University of Mississippi

Since the Lott Summer Leadership Institute for High School Students was initiated in the summer of 2000 at the University of Mississippi, hundreds of students have expressed enthusiasm for the life-altering experience of participating in the Summer Leadership Institute. If you are a junior in high school who is interested in leadership, we have a question for you: Are you ready — for an experience that could change your life?

<https://lottinst.olemiss.edu/high-school-students/for-high-school-students/>

### **Academy Introduction Mission (AIM)**

US Coast Guard Academy

The Academy Introduction Mission (AIM) is a one-week summer program where you'll immerse yourself in Academy life. Exclusively for students entering their senior year of high school, AIM is regarded as the most realistic of the service academy summer orientation programs.

<https://www.uscga.edu/aim/>

### **Annual South Carolina Business Week**

Presbyterian College

Presbyterian College hosted the Annual South Carolina Business Week. For more than 30 years, the South Carolina Chamber of Commerce's Business Week program has contributed to the preparation of young adults for the business environment by introducing them to the principles of leadership, teamwork, and the American free enterprise system while promoting self-reliance, individual responsibility, public speaking skills, and entrepreneurship.

<https://www.scbusinessweek.com/>

### **Aunt Berta's Love 1 Education Foundation**

Aunt Berta's Love 1 Education Foundation seeks to help special needs students by providing financial support to Programs and Organizations that assist students with building strategies that will help them with learning and living success while giving them confidence for wellness and life-long skills.

<http://www.auntbertaskids.org/>

### **Bulldog Pharmacy Camp**

Samford University - McWhorter School of Pharmacy

Bulldog Pharmacy Camp is a summer camp for high school students who want to learn about the pharmacy profession and get hands-on experience.

<https://www.samford.edu/pharmacy/bulldog-pharmacy-camp>

### **Career Exploration & Cooking Camp**

Johnson & Wales University

Career Explorations: Explore a variety of careers in the fields of culinary arts, baking & pastry arts, hospitality or the sciences. Our programs run between two and five nights, over which you can experience life at JWU and discover the path to your future.

Chef's Choice Summer Camp: Classes combine hands-on experience with demonstrations under the direction of our professional chef-instructors.

Career Explorations: <https://www.jwu.edu/admissions/cx/home/index.html#explore>

Chef's Choice: <https://www.jwu.edu/academics/programs-by-campus/charlotte-programs/chefs-choice.html>

### **Carolina Wildlife Center Volunteer Program**

Carolina Wildlife Center

Wildlife Rehabilitation volunteers can choose to work with wildlife at the center assisting staff in both supportive and medical care of residing patients. Volunteers prepare diets, feed and medicate animals, clean and prepare cages or kennels, and perform other general animal care tasks. You might find yourself feeding young songbirds or opossums, preparing a kennel for a great blue heron, and making nest boxes for flying squirrels all in one shift!

<http://carolinawildlife.org/volunteer/>

### **Catapult Startup Incubator**

Rose-Hulman Institute of Technology

This nearly two-week-long summer program lets you experience college life, meet new friends, dive into cool STEM projects and basically have a blast using all the knowledge you've gained in 11 years of school!

WHAT IS CATAPULT?

It's a tasty taco of science, engineering and math awesomeness, with layers of savory STEM opportunities in a delicious shell of fun that lets rising high school seniors reach into robotics, or do cool things like brew biodiesel or make a machine from scratch.

<https://www.rose-hulman.edu/admissions-and-aid/early-planning/operation-catapult/index.html>

### **CEISMC Summer PEAKS**

Georgia Tech

P.E.A.K.S. (Programs for Enrichment and Accelerated Knowledge in STEM) are hands-on, interactive learning experiences. Summer P.E.A.K.S. give participants the chance to enhance learning during the summer in experiential activities on campus at Georgia Tech. P.E.A.K.S. cover many different Science, Technology, Engineering, and Mathematics (STEM) concepts. Our programs are one to two week-long day camps for students in rising 4th-12th grade.

<https://www.ceismc.gatech.edu/ceismc-summer-peaks>

## **Clemson University Summer Scholars**

Clemson University

Registration for Civil Engineering will open tomorrow, January 15th, at 12p (EST)!

This course will be offered in session one for rising 7th-9th grade students and session six for rising 10th-12th grade students.

Enroll early, space is limited!

<https://www.clemson.edu/summer/summer-scholars/>

## **Columbia Museum of ART**

Youth and Families CMA interactive programs offer children and adults the opportunity to explore art and culture together. Listen to storytelling in the galleries, take a safari through our collection, or create a piece of original art in the studios.

<https://www.columbiamuseum.org/learn/youth-and-families>

## **Columbia University Programs for HS Students**

Columbia University

Intensive programs for academically exceptional students

<http://sps.columbia.edu/highschool>

## **Cornell Engineering Experience**

Cornell University

In this program you'll use your math and science skills to address real-world challenges and explore the field of engineering.

Through labs, team projects, guest speakers, and field trips, you'll gain an overview of college and career opportunities in engineering.

<https://sce.cornell.edu/precollege/program/engineering>

## **Duke Youth Programs**

Duke University

Now in its thirty-fourth year, Duke Youth Programs provides summer enrichment opportunities for academically motivated middle school and high school students in the areas of bioengineering, biological science, math, creative writing, academic writing, leadership, computer programming, and college selection/admissions.

<https://summersession.duke.edu/high-school-students/duke-youth-programs>

## **Engineering Summer Program**

University of Wisconsin-Madison

Engineering Summer Program (ESP) is a fully funded, six-week residential program for students who will be high school juniors or seniors in the upcoming school year. The ESP course curriculum includes math, physics, chemistry, engineering, and technical communications. Other structured programming such as industry site visits, field trips, guest lectures, workshops, and faculty mentoring will help students gain a better understanding of the field of engineering and its applications.

<https://www.engr.wisc.edu/academics/student-services/diversity-programs/engineering-summer-program/>

## **Gettysburg Summer Programs**

Gettysburg College

Gettysburg College is excited to offer several opportunities for high school students over the summer months. Subjects include psychology, creative writing, or information technology.

<http://www.gettysburg.edu/about/offices/fa/conferences/summer-camps.dot>

## **Girls Who Code Summer Immersion Program**

Girls Who Code

Learn computer science through real-world projects in art and storytelling, robotics, video games, web sites, apps and more!

<https://girlswhocode.com/summer-immersion-programs/>

## **GoSciTech**

SC Governor's School for Science & Mathematics

GoSciTech is GSSM's annual, residential, summer science camp, serving rising 8th, 9th and 10th graders.

GoSciTech provides unmatched opportunities to explore the endless possibilities of science and technology in an interactive, residential environment.

<https://www.scgssm.org/camps/goscitech>

## **GW Summer Program**

George Washington University

High school students in the Pre-College Program spend a summer in Washington, D.C., taking advantage of GW's expertise in global development, international relations, public policy and administration, politics, diplomacy, history, biomedical engineering, museum studies and the arts.

Pre-College also offers a transformative introduction to college life. Students develop confidence in their ability to become part of a new community, participating in recreational and social activities while making friends with peers from around the world.

<https://summer.gwu.edu/precollege>

## **Indiana University's Kelley School of Business Pre-College Program**

Indiana University

Experience life as a business student, while still in high school.

It's never too early to start thinking about your future.

In fact, if you're a hardworking sophomore or junior high school student who's already putting serious thought into what you want to do in life after college, odds are, you'd make an ideal Kelley candidate.

<https://kelley.iu.edu/programs/undergrad/pre-college/index.cshtml>

## **Institute for the Development and Enrichment of Advanced Learners (IDEAL)**

Texas Tech University

There are programs at the camps where older students take academic courses and prepare for college.

The programs are geared toward minority students. There are several different options to choose from: Science: It's a Girl Thing, Minecrafter Camp (which focuses on coding), Generation Tech and Raider Life (which prepares underrepresented students for college life).

<https://www.collegecovered.com/campus-life/summer-enrichment-programs/>

## **Leadership 101 Summer Program**

University of Dayton

During this two-week, residential learning experience, you'll gain an understanding of the foundations of leadership, assess your leadership behaviors to determine your preferred leadership style, discover the five practices of exemplary leadership, and create a personal leadership development plan. This highly interactive session includes extensive discussion and collaborative exchange of ideas, leadership assessments, class and individual exercises, guest speakers and site visits.

<https://udayton.edu/apply/undergraduate/hsprograms/leadership-101.php>

## **Leadership Academy at Mercy College**

Mercy College

For High School Juniors with:

Cumulative, weighted GPA above 90

Demonstrated Leadership Skills

Excellence in Public Speaking

For High School Juniors with: Cumulative, weighted GPA above 90 Demonstrated Leadership Skills

Excellence in Public Speaking

<https://www.mercy.edu/business/leadership/academy>

## **Leadership Converse**

Converse College

Be The Change

Leadership Converse is a unique experience for rising junior and senior female high school students held on the Converse College campus.

A big part of the Leadership Converse curriculum is to teach students that leadership is about behavior and action, not about a title or role. Our main focus in this program is to ask the question, "what is leadership?" At Leadership Converse, we will be teaching students that leadership is a process where individuals or groups can work together to create positive, sustainable change for others. We are looking for all types of students- including but not limited to students who are active in their communities, have a passion for helping others, who have been active in leadership roles, and who have a vision for positive change.

<https://www.converse.edu/community/summer-camps-activities/leadership-converse/>

## **Lexington Medical Junior Year - Volunteer Program Application**

Volunteer Department | Lexington Medical Center

The department matches individual talents and interests to the needs within the hospital as possible.

New volunteers attend an orientation to familiarize themselves with the responsibilities of volunteering and any specialized training their service area requires.

<http://www.lexmed.com/giving/volunteer/>

## **Mid-Carolina AHEC Health Careers Program**

The SC AHEC Health Careers Academy is a health career exploration experience for high school students.

Activities demonstrate the use of communications, math and science among practicing health professionals make up the curriculum specifically designed fo

Fundamentally, the purpose of the Health Careers Academy (formally the Student Development & Diversity Program) is to increase the number of students, especially minority and disadvantaged students, entering the health professions in South Carolina. However, the evidence-based HCA curriculum is also designed to promote resiliency, improve overall academic success, and foster a sense of purpose in the student participants. It provides students with a practical link between academic studies and preparation for participation in the workforce.

<https://www.summercamps.com/location/united-states/south-carolina/>

## **Summer College for High School Students**

Syracuse University

Browse through all of our 40+ pre-college programs for high school students.

Our programs vary in length from one to six weeks. Search by keyword in the search bar below if you are looking for a specific program.

<http://summercollege.syr.edu/programs/browse-all-programs/>

## **Summer Immersion Program**

Wake Forest University

The Wake Forest Summer Immersion Program is a hands-on learning experience. Students dive deep into a field of study with access to world-class faculty, researchers, and industry professionals.

<https://immersion.summer.wfu.edu/>

## **Summer Institute at Columbia College**

Columbia College

More than 2,600 women have taken their first steps to becoming successful leaders. This year we are offering four unique, week-long summer programs serving rising 9-12th grade girls.

<https://www.columbiasc.edu/community/summer-camps/summer-institute>

## **Summer Program (Various)**

Colorado State University

Summer programs are opportunities for rising high school sophomores and juniors who are interested in developing their research and leadership skills in an inclusive and stimulating learning environment.

<https://admissions.colostate.edu/visitcampus/summer-programs/>

## **Summer Scholars - Pre-College Programs**

University of Notre Dame

Summer Scholars participants spend two intense weeks in one of 22 exciting programs of study. We keep the classes small and personal attention from Notre Dame faculty high. The coursework is a true preview of college academics—it is both rigorous and rewarding, and students earn one college credit upon the completion of a program track. Students collaborate on coursework outside designated class times, as they would in any college setting. There is also ample time to enjoy the social facets of college life, especially those unique to Notre Dame.

<https://precollege.nd.edu/summer-scholars/>

### **Summer Seminar at the United States Air Force Academy**

United States Air Force Academy

The seminar offers a unique opportunity to get the Academy experience first-hand. Specially designed for high school juniors heading into their senior year, Summer Seminar is a recruiting program that allows participants to see themselves as a USAFA cadet.

<https://www.academyadmissions.com/admissions/outreach-programs/summer-seminar/>

### **Summer Textile Exploration Program (STEP)**

NC State University

The Wilson College of Textiles Summer Textile Exploration Program (STEP) consists of four one-week sessions for rising high school seniors interested in learning about the textile industry, fashion, engineering, polymer science and business marketing. Up to 30-35 students per week are chosen based on their academic success, interest in NC State Wilson College of Textiles, and extracurricular activities. Participants will live in one of NC State's residence halls.

<https://textiles.ncsu.edu/step/>

### **summerFAB High School Architecture Program**

Wentworth Institute of Technology

In this four-week summer design-build program, high school participants experience phases of an architectural project, from initial design concepts to building a full-scale construction on a site on campus. And get college credit for successfully completing the program!

Eligibility: You may apply if you are a current high-school student entering grades 10 and above (current 9th graders through current 11th graders).

<https://wit.edu/summerfab>

### **The Free Enterprise Leadership Challenge (FELC)**

FELC

An educational program created by the Helms Center Foundation that gives high school students the opportunity to learn about free enterprise and leadership through yearly summer camps and workshops.

<http://felcexperience.org/home.html>

### **The Riley Institute at Furman's Emerging Public Leaders program**

Furman University

Emerging Public Leaders (EPL) Application

Application deadline is Friday, April 5, 2019

Important: This program is designed for current high school juniors

<https://riley.furman.edu/education/projects/emerging-public-leaders/epl-application>

### **The Yale Summer Program in Astrophysics**

Yale University

YSPA is a 2-week online + 4-week residential research and enrichment program for 32 rising high school seniors who are interested in astronomy, physics, math, computer programming, and other science and tech fields. <https://yspa.yale.edu/>

### **University of Georgia VetCamp**

U. of Georgia - College of Vet Med

VetCAMP (Veterinary Career Aptitude and Mentoring Program) will house up to 52 high school students on UGA's campus for seven days. At VetCAMP, students will be involved in various activities aimed at evaluating their skills and competitiveness as future veterinarians, providing mentorship and helping them experience veterinary medicine as an exciting career path.

<https://vet.uga.edu/academic-affairs/vetcamp>

### **USC Summer Programs - Summer Seniors**

University of South Carolina

Summer Seniors is a four-day, residential recruitment program designed exclusively for high-achieving African American rising high school seniors from South Carolina. If selected to attend, you will experience firsthand what it's like to live on a college campus.

[https://sc.edu/about/offices\\_and\\_divisions/undergraduate\\_admissions/connect\\_with\\_us/events/summer\\_seniors.php](https://sc.edu/about/offices_and_divisions/undergraduate_admissions/connect_with_us/events/summer_seniors.php)

### **USC's Carolina Master Scholars' Adventure Series**

University of South Carolina

Celebrating sixteen years of learning through exploration, the Carolina Master Scholars Adventure Series is open to rising 6th - 12th grade students who are academically talented or gifted. Experience college life this summer at USC. Explore careers you've dreamt about and dive deep into learning without the pressure of grades. Jumpstart your future and choose from challenging, fun and engaging topics.

[https://www.sc.edu/about/offices\\_and\\_divisions/continuing\\_education/youth\\_and\\_teen\\_pre-university\\_programs/carolina\\_master\\_scholars\\_adventure\\_series/index.php](https://www.sc.edu/about/offices_and_divisions/continuing_education/youth_and_teen_pre-university_programs/carolina_master_scholars_adventure_series/index.php)

### **Wilson Collegiate Tennis Camps**

University of South Carolina - Junior Tennis Camp

One of our most popular overnight camps, the University of South Carolina will offer two weeks of camp this coming summer. With an emphasis on tailored instruction for each level of player, the camp provides a great deal of individual attention in a fun and competitive environment.

<https://www.wilsontenniscamps.com/university-of-south-carolina/>

### **Yale Young Global Scholars**

Yale University

Yale Young Global Scholars (YYGS) is a summer academic enrichment and leadership program for outstanding high school students from around the world. Each summer, students from over 100 countries participate in one of nine interdisciplinary sessions and immerse themselves in a global learning community.

<https://globalscholars.yale.edu>

**Youth Leadership Lexington County (Applicants must be nominated by a teacher or administrator)**

Leadership Lexington County

Youth Leadership Lexington County is a condensed version of the premier program for professionals redesigned for our community younger leaders. During a one week period in the summer, teens from county high schools have a unique chance to explore the amenities and opportunities the county offers future leaders.

<https://leadershiplexingtoncounty.org/program/>
