Shooting for the Stars! Reading:

Every two days we add a new sound. So far we have learned the sounds for S,M and this week we are adding D and P. We are reading new words daily. We have been discovering that words have syllables.

Math

- Working with numbers to 10
- Practiced writing or numbers
- Practiced on writing numbers that come before and after a certain number.
- Comparing numbers greater, less, and equal.

Writers Workshop/SS

We have continued our unit on narrative writing. We are really working on adding more detail to our pictures and writing

In SS we have been learning that things change over time. We have also been discussing that people can be the same and different.

All-Star Events

November 25-27

Thanksgiving Break- NO SCHOOL FOR STUDENTS AND STAFF

December 21-January 3-
Winter Break

Computers come home on Tuesday. We need them back Thursday. We have computer lab on Thursday. Please remember that we are logging into seesaw for our virtual learning. Kindergarten is not logging into google classroom like the older students.

Mrs. Jowers and I want to wish everyone a Happy Thanksgiving

Teacher's Reminders

With the holidays close by, students are often making lists. This would be great practice for the students to write their own lists. Encourage students to stretch out words and write down the sounds they hear. Please continue to check Star Books. It is very important that the students know that we are working as a team.

Please welcome Savannah and Phoenix to "The Can Do Kids"
