## Live ~ Learn ~ Lead

---

Dear Parent(s)/Guardian(s) and Student(s),

***Your student is invited to participate in 360 Literacy this year!*** The 360 Literacy Program is a grant-funded initiative that serves over 100 students year-round. Students are identified for the 360 Literacy Program through teacher and counselor recommendations.

***360 Literacy runs Monday-Thursday from 3:40 pm-6:30 pm and provides academic enrichment and support to students at Irmo High & Irmo Middle School. Transportation and dinner are provided daily to student participants.*** Direct instruction and support is provided by highly-qualified teachers and trained tutors in each of the four content areas. This initiative is funded by a federal grant received through the SC Department of Education.

The goal of 360 Literacy is to support and accelerate learning, helping individual students make progress towards academic and career goals. Our weekly program supports: **academic enrichment, personal development skills, credit recovery through APEX, small group tutoring sessions, skill building and review for End-of-Course exam preparation (EOC exams counts as 20% of final grade).**
