## THE TEACHER

### Ms. Crivello

### The Basics

My name is Ms. Stephanie Crivello! This is my third year teaching! I previously volunteered here at HWES during my time attending college. I enjoyed the school community so much, I decided to teach full time here. I am so excited to get to know each and every one of you. The HWES family is amazing!

### My Childhood

I was born and raised in a small town called Millville, Massachusetts. Back home, I have a twin brother, Nick, who is a full foot taller than me, although I am older by 15 minutes! I grew up as a military dependent but fortunately did not have to move around. I love baseball and adore the Boston Red Sox (my family dog is named Fenway after Fenway Park). My twin brother played college baseball and I rarely missed a game. Don't be surprised if I talk a lot about baseball!

### My Education

After finishing my internships at Dutch Fork Elementary School, I graduated with a Bachelor of Arts degree in Elementary Education from the University of South Carolina in 2018.
