Re: Title 1 Annual Stakeholders Planning Meeting

Under Federal guidelines, Harbison West Elementary conducts a school level review each year of our current federal program. This review is an important element of our program for the upcoming school year as it allows us to reflect on progress made this school year and to gather input for the coming school year from critical stakeholders, parents, teachers, paraprofessionals, administrators and community members.

We would like to invite you to be a part of this year's Title 1 Annual Stakeholders' Planning Meeting as we review how our school's Title One funds (federal funds) are being used and explore what needs should be expressed for future funding. Members on the team meet only once on Monday **May 13, 2019 from 7:30 a.m. – 8:30 a.m.** at our school in the cafeteria. Breakfast will be provided.

Please let me know if you will be able to participate as part of the Annual School Title I Stakeholders' Planning Meeting by emailing me ( [eddavis@lexrich5.org](mailto:eddavis@lexrich5.org) ) or by calling my secretary, Cindi Teague at 476 -3803. Please RSVP by May 8th so we can get a headcount for breakfast. Thanks in advance for attending and see you soon.

Sincerely,

A handwritten signature in cursive script that reads "Edward Davis".
