

# OPES 4K Cathcart's Cool Cats

*Rocking in Our Learning Shoes!*

*April 22, 2022*

## IN THE CLASSROOM

We have had a great week at school. We enjoyed reading *It Looked Like Spilt Milk* by Charles G. Shaw. The book showed pictures of clouds in a lot of different shapes, such as a flower and a bird. We painted cloud shapes to make our own version of *It Looked Like Spilt Milk*. We haven't had the chance to look for cloud shapes outside because of the beautiful clear blue skies we've had this week. We look forward to finding some shapes in the clouds soon! We also planted bean seeds and flower seeds this week. We are watering them and observing them every day, patiently waiting to see sprouts.
