

CHILD FIND STATEMENT

District Five provides for a free and appropriate public education for all children with disabilities in a variety of specially designed programs. Special Education and related services are available for persons, ages 3-21. If you are aware of a child who may be eligible for services and is not receiving them, contact NAME (ie *Student Assistance Team Coordinator) for NAME YOUR SCHOOL. For additional information, you may visit the [Special Education Parent Resource Page](#).

*For simplicity, the school may choose to name an office vs. a person. For example, they may prefer that a parent with concerns reaches out to guidance.
