

**TUTORS FOR HIRE  
2022 - 2023**

Dear Parent/Guardian,

At your request, below is the list of teachers interested in providing tutoring during the 2022-23 school year.. Please contact the teacher to discuss your child's needs, along with the teacher's schedule and pay. After school tutoring is not a program funded by PWES. The school will not be available as a meeting place for tutoring sessions. Therefore, you will have to find an alternate location, such as the local library.

Sincerely,  
Kimberly Luthren, PWES Counselor 756-1167
