

# Rent Rocky Contract - Chapin ALA Booster Club

Rocky was donated to Chapin High School (CHS) in May 2016 by the Irmo Chapin Recreation Commission. Loveless Construction and District Five Board Member Jondy Loveless helped to procure Rocky and supplied the manpower and transportation to bring Rocky to CHS. Rocky is located at the Boundary Road entrance to CHS and is seen daily by students, faculty and parents.

Rocky is available to rent for painted messages and advertising. All proceeds will benefit the Chapin Academic Leadership Academy (ALA) Booster Club, a 501(c)(3) organization. Proceeds are used for ALA events, field trips and other student enrichment activities.
