**Registration:** Registration for all students is **May 6 – June 20 at the home school**. Late registration fee is \$25.00. All registrations will take place at the student's home school only.

**Payment:** A non-refundable deposit of \$25.00 must accompany the registration. Students must pay deposits and balances at their home school. All fees must be paid by Thursday, June 20th or students will be dropped from rolls.

**Eligible Students:** All Summer School courses are designed for those students who are **REPEATING** a course for **CREDIT RECOVERY**. You **must** enroll in the course you failed, not an alternate course. An exception may be made for a student who would be eligible to graduate from summer school. Only Lexington/Richland Five students will be allowed to attend our summer school.

**Grading:** Summer school will follow the guidelines for Credit Recovery Level 2. Upon successful completion of all assigned modules at 60 percent mastery the student will receive a grade of (P) - Passing.

**Homework:** Due to the rigorous nature of Apex courses, working from home is **mandatory** to complete the course by the end of summer school. To work on Apex from home, you will need a computer, internet access, and your log-on information. If you do not have the required technology, you will need to work additional sessions as they become available. Although curriculum may be completed from home, all assessments will be completed during the scheduled summer school session.

**Attendance:** Since summer school is a self-paced (computer based) program, attendance will be required from the first day, June 17 until the student fulfills all of the requirements of the course. All absences will need to be excused according to district policy.

**NOTE:** ALL students must return a signed copy of the Parent/Guardian Permission for Online Learning on or before the first day of class (Monday, June 17, 2019).
