

Plan for the Implementation of an Enrollment Freeze (Phase II)

January 14, 2019

Michael R. Harris, Ed. D.

Chief Planning and Administrative Officer

What is an ENROLLMENT FREEZE?

...an administrative action that impacts building capacity by redirecting an **incoming** student population from an over-crowded school to school(s) with available space.

Enrollment FREEZE (143)

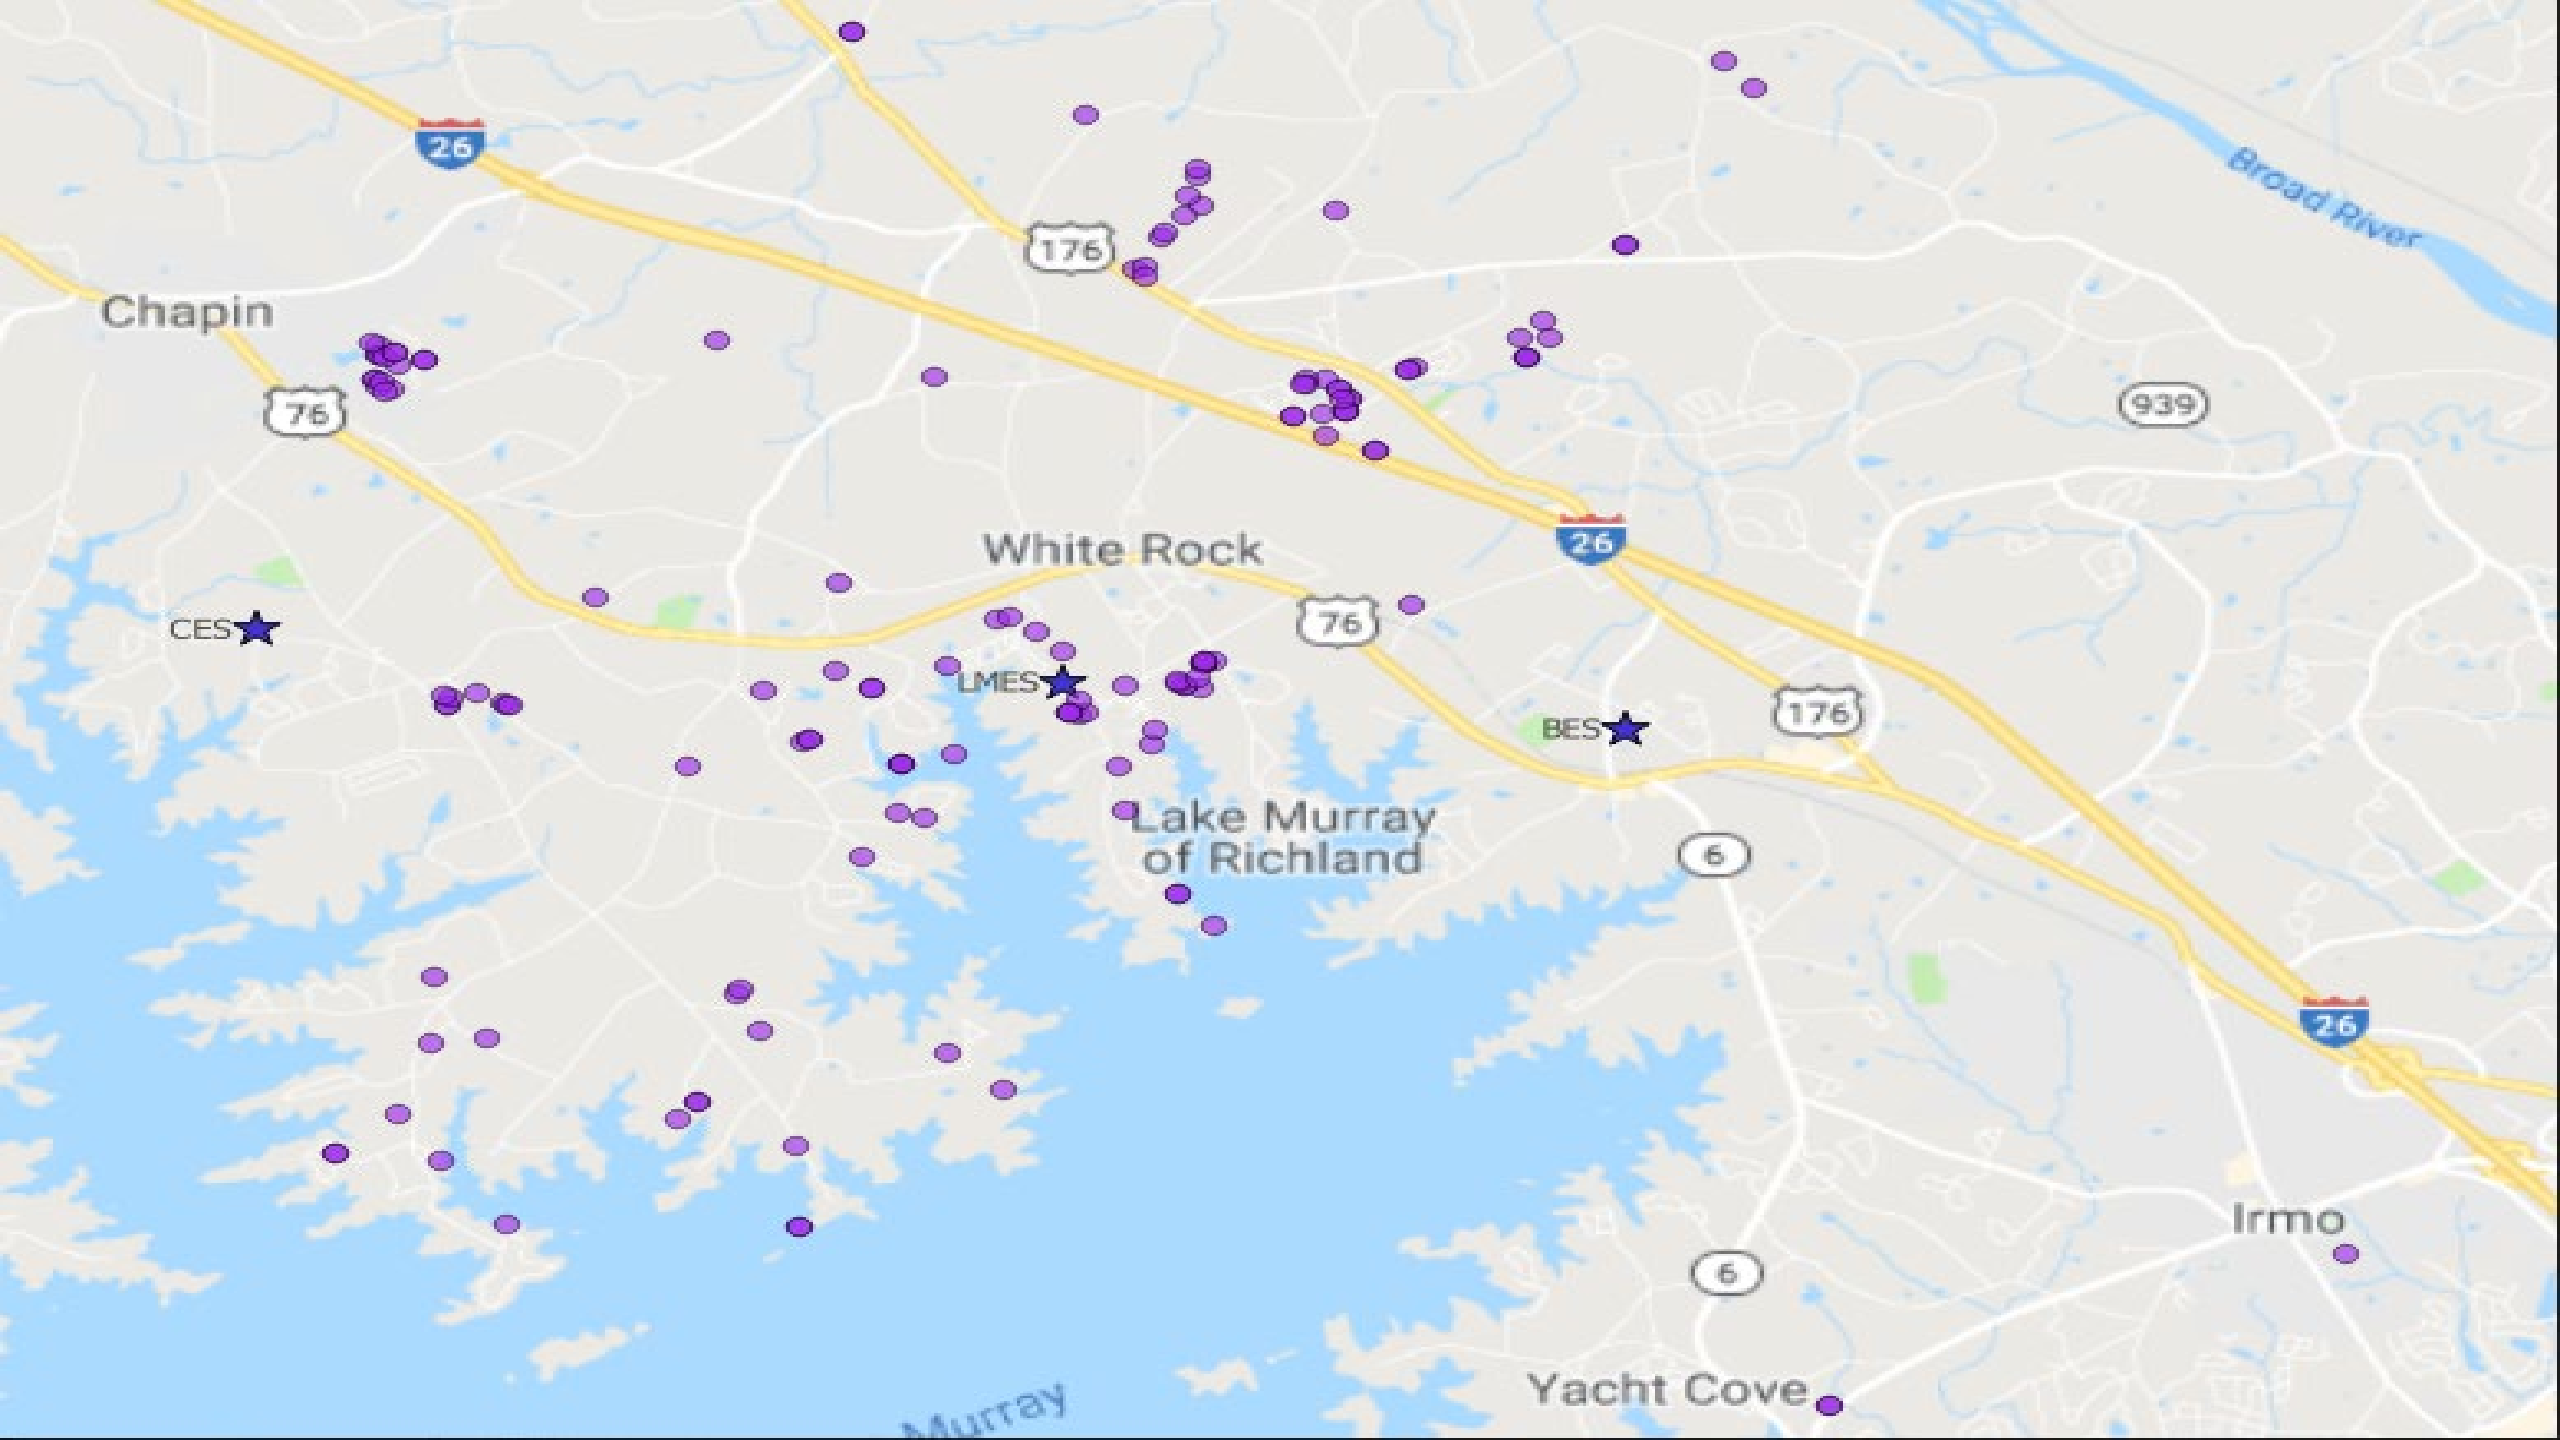

Beginning January 22, 2018

Ballentine Elementary School

Kindergarten	9
1 st Grade	4
2 nd Grade	7
3 rd Grade	7
4 th Grade	2
5 th Grade	0
Total: students	29

Chapin Elementary School

PK3	1
Kindergarten	28
1 st Grade	17
2 nd Grade	21
3 rd Grade	25
4 th Grade	22
Total: students	114

Who would be impacted by the ENROLLMENT FREEZE?

- ❖ **NEW!** residents who are zoned to attend Chapin Elementary School

How would the **ENROLLMENT FREEZE** work?

- ❑ ONLY students/families who "move into" the CES attendance zone after an agreed upon date will be impacted by the FREEZE.
- ❑ All **NEW!** students/families will be administratively re-assigned to a school with available space and capacity for additional students.

How would the ENROLLMENT FREEZE work? (continued)

- ❑ Optional transportation (to and from) CES in the morning and afternoon will be available to an identified school(s) where space currently exist.

Where would District Five
students impacted by the
ENROLLMENT FREEZE be
re-assigned?
