## PBIS Parent Survey

Attention Parents: Your voice matters!

Positive behavioral interventions and support (PBIS) is a school-wide approach used to improve safety and promote positive behavior through prevention, social/emotional learning, and resolving problems collaboratively. At CES expectations are modeled and taught, with an emphasis on positive reinforcement and instruction in social/emotional skills.

PBIS is strongest when we include input from students, parents, faculty and staff, and community members. Your participation by completing this brief survey is greatly appreciated!

## Health Room News

### JoAnn Haralambis RN

Thank you for allowing me to help with meeting your child's health needs at school. The end of the year is almost here and we are making preparations for the closing of the health room. If your child has medication here at school, a parent or guardian will need to pick it up before the health room closes. For safety reasons, we do not send medication home with students and medications cannot be stored over the summer. Any medications remaining will have to be disposed of according to DHEC regulations. Please stop by the health room to pick up your child's medication before the last day of school. If you need to make special arrangements, please call the nurse at 575-5909.

## Here are a few reminders from the Cafeteria:

- \*Please be sure to keep your child's account with a positive balance. You can go to <https://www.k12paymentcenter.com/> to see the status of their account.
- \***We can only accept cash or checks.** Several parents have asked about using debit cards, however we are not set up to take those.
- \*As always we love to have parents join us just let us know ahead of time for planning purposes.

**Meal Benefits must be applied for EVERY YEAR! \*TO APPLY FOR MEAL BENEFITS, PLEASE go to <https://www.lunchapplication.com/>.**
