Health Room News

JoAnn Haralambis RN

Thank you for allowing me to help with meeting your child's health needs at school. The end of the year is almost here and we are making preparations for the closing of the health room. If your child has medication here at school, a parent or guardian will need to pick it up before the health room closes. For safety reasons, **we do not send medication home with students** and medications cannot be stored over the summer. Any medications remaining will have to be disposed of according to DHEC regulations. Please stop by the health room to pick up your child's medication before the last day of school. If you need to make special arrangements, please call the nurse at 575-5909.
