🐾 INTERMEDIATE SCHOOL 🐾

What does **CRIS** offer to all students?

- **All 6<sup>th</sup> Grade Student Experience**

- A great stepping stone into the intermediate/middle school world
- We maintain a staff of caring teachers committed to helping students transition out of elementary school by maintaining rigorous academic standards in a nurturing environment.

- **STEAM-powered Learning**

- Instructional model designed to incorporate Science, Technology, Engineering, Arts, and Mathematics
- Morning Meetings
- STEAM Clubs on Early Release Days (during school hours)
- Field Studies: In-House and Off Campus
- Incorporates Profile of the SC Graduate to support students becoming college and career ready
- Integration of curricula for a more meaningful and relevant learning experience
- Activities and lessons enhance 21st Century Learning Skills: Communication, Collaboration, Creativity, and Critical Thinking

- **Small Learning Communities**

- All students are part of a team consisting of a mathematics, language arts, science and social studies teacher
- Team Time daily: Teachers use this time for recess, team building, academic reinforcement and support for students

- **Rigorous Academics**

- Honors courses offered for mathematics, language arts, science, and social studies
- Rigorous lessons for both honors and college prep levels
- Project-based learning supporting cross-curricular units of study

- **Extra-curricular Activities**

- Includes but not limited to: Beta Club, Student Council, Math Olympiad, honor orchestra, honor band, honor chorus, art and much more

- **Performing Arts** (optional at registration)

- Chorus
- Band
- Orchestra-beginner and continuing

- **Technology**

- 1:1 digital environment through use of chromebooks
- Technology-rich lessons to include but not limited to web design, video production, digital portfolios, introduction to coding, and use of Google Classroom
- On-site Digital Integration Specialist

- **STEM & Art** (optional at registration)

- Each class is offered as a semester course
- Limited space available
- Extensive instruction in the area of STEM and visual art
