

2nd GRADE

Mrs. McMillon
September 27–October 1

NEWS YOU CAN USE:

Attendance: Please email Beth Kienzlen, our attendance clerk, if your student is going to be absent, leave early, or log in late. Also, all doctor's excuses should go to her. Her email address is bkienzlen@lexrich5.org. Class starts everyday at 7:50.

Conferences: Since we do not give interim reports in the second grade, this will be an important time to update you on your child's progress. I will email sign up invitations and Google Meet link for us to use on Monday.

Please make sure that your child eats breakfast before school and lunch during our break so that they are not eating during instruction time.

CALENDAR:

09/24: Scholastic Book Orders due

09/28: Topic 1 Assessment

10/01: Pajama Day-First Friday

10/04: Student Holiday

10/04–08: Parent Teacher Conferences

MATH VOCABULARY:

Even
Odd
Array

Please use this link to place [Scholastic Book orders](#).

WORD STUDY

We will be working on listening for long and short vowels before moving into vowel teams.. Students are expected to practice their words each day during class. On Fridays, students will write a dictated sentence using the words we practice throughout the week.

IN OUR CLASSROOM:

ELA: We will wrap up our examination of our reading lives by summarizing what we like as readers. We will review our choices as readers and determine the reasons for those choices. We will edit our book recommendations in writing and review capitalization in sentences.

Math: We will assess Topic 1 on Tuesday. I will read the questions to students as we navigate taking a test online. We will begin our next unit of study, Number Patterns by determining even and odd numbers.

Social Studies: We will examine important civic dispositions and the responsibilities of citizenship. We will research an important, historical national figure.
